1. In October 1948, Mr. Floyd Masten, former Map Attaché, US Legation, Vienna, passed subject's name to the Chief of Station as being a possible operations lead. Masten described Subject as a Geographer and something of an authority on the Balkans. He was said to come from an old and aristocratic family; his address was given as St. Lambrecht, Styria, Austria.
2. Masten was in contact with Subject in connection with the exchange of various maps. The [redacted] knew of Subject and were aware of his contact with Masten; they too, allegedly, contemplated his use at one time but considered his political views too pro-Nazi and anti-British. Mr. Masten is now employed in Frankfurt with NICOG and it is suggested that he be queried concerning his knowledge of Subject.
3. The results of a CIC/Vienna file check on Subject are attached hereto in duplicate as MIL/5115.
4. In addition to a neighborhood investigation, a check of Austrian police files has been requested, however, we have not received the results of either.
